*Foolishness*  
1 Corinthians 1:18-25 of the Cross

**The Foolishness of the Cross**

A Palm Sunday Message / 4-5-2020

1 Corinthians 1:18-25

**Big Idea:** A crucified Christ is a contradiction in terms. How could the curse of such a horrific and shameful death happen to the Son of an all-powerful God? How could Christ's "Triumphal Entry" be a triumph when it was really just a death march? Well, as we will see today, Christ's crucifixion was not only a triumph, it is the power and wisdom of God to save sinners!

**I. The Ridiculousness of a Crucified Christ (vss.18-19).**

**II. The Reason for a Crucified Christ (vss.20-21).**

**III. The Result of a Crucified Christ (vss.22-25).**
