1. Domesticated Animals (1:24-25).
2. Small Animals and Insects (1:24-25).
3. Wild Animals (1:24-25).

II. The Creation of Man and Woman (1:26-31).

1. The Doctrine of the Trinity (1:26).
2. The Doctrine of Imago Dei (1:27).
3. The Dominion Mandate (1:28-30).
4. The Sinless Perfection of God’s Creation (1:31).

Applications for Today:

- 1) This text reminds me that while we are free to consume the world's natural resources, we must also do so with care.
- 2) This text reminds me that every man, woman, and child is due equal respect as creations made in God's image.
- 3) This text reminds me that the world we live in today is a far cry from what God originally created it to be.

Scripture of the Week:

“The first man is from the earth, earthy; the second man is from heaven. As is the earthy, so also are those who are earthy; and as is the heavenly, so also are those who are heavenly. Just as we have borne the image of the earthy, we will also bear the image of the heavenly.”
