

“God’s Word to Women in Worship”

An Exposition of 1st Timothy
1 Timothy 2:11-15 – Message 8

Central Truth: As Paul continues teaching God’s will for how specific groups of members are to conduct themselves in the household of God, He now turns his focus to the discussion of women and gender roles.

- I. The prescription for women to learn God’s word (2:11).
- II. The prohibition for women in teaching and leading (2:12).
- III. The purpose of the prohibition based on creation (2:13-14).
- IV. The promise of deliverance through the incarnation of Christ (2:15).

Scripture of the Week

The women are to keep silent in the churches; for they are not permitted to speak, but are to subject themselves, just as the Law also says. If they desire to learn anything, let them ask their own husbands at home; for it is improper for a woman to speak in church.
